The RM ClassBoard™ is a high quality, robust interactive whiteboard that is easy-to-use and very responsive. Control the lesson from the front of the class using the RM ClassBoard pen, without being confined to your desk. Create lessons that incorporate innovative content and multimedia. Easiteach® Studio software is supplied as standard.

- matt finish optimised for projection
- USB or serial connection
- 1,000 contact points per inch, 250" per second tracking
- three year warranty

RM ClassBoard Mobile Stand

Convert your RM ClassBoard into a mobile solution with the easy-to-assemble ClassBoard Mobile Stand.

RM ClassPad™ Light

15,100 VOUCHERS
ORDER CODE: 17R-924

The RM ClassPad Light, combined with a computer and projector, provides the ability to use the pen like a mouse, annotate /highlight the image and control any programmes, including the Easiteach Studio software. The product can also be used with an interactive whiteboard. This provides interactive control anywhere in the classroom, by moving around with the pad.

- frees you from the front of the class to move around the room
- enables pupils to interact with the image without moving from their desk
- encourages whole-class participation and motivation
- allows you to deliver lessons in new and more engaging way

e-Beam interactive whiteboard system
