

WE'RE BIG ON YOUR COMMUNITY

Every eight weeks, each store will donate up to €1000 to local good causes. And who better to decide how this money is shared than you?

You can pick any good cause, from a new playground, helping the elderly, to fixing a leaky roof for the local school or sports club - whatever helps your community most.

So why not nominate a cause that's close to your heart today? All you have to do is fill in the form overleaf and drop it into the application box which you will find at the bottom on the Community Fund voting unit in your local store.
